Stanley, the African Explorer, Speaks for Himself-The Noc l'abrication.

The Livingstone Letters-Certificates of Anthenticity-An Unfertunate Omaha "Local."

From the New York-Revald of the 28th: DEAR SIE—Your agent in this city today kindly sent me three copies of a
newspaper published in New York,
bearing the dates respectively of the
twenty-fourth, thirtieth and thirty-first
of August of the present year. It would
be a difficult matter for me to describe
the conflicting emotions I felt during
the perusal of certain articles found
DEAR SIE—Your consider to mention the

About the Livingstone Letters.

ACTION DATE OF THE PROPERTY OF

PULYERIZED LIGHTNING. Mrs. Laura Fair was acquitted at San daughtist.

against the buildings along Vine street the residents. Many window-were smashed, and other trivial da-ions. The interior of the Expobuilding presents a sad speciacle, the debris and strewn fragments trasts strangely with the magnif beauty and splendor once gracing this grand temple of art, industry and sci-encs. Immediate steps should be talten to repair the building, which is damage at least one thousand dollars. THE CAPTIOL,

situated on a high hill afforded a fair play for the wind; beneath its power the grand building seemed to groan and femble to its very foundation. To flerce blasts swept around the done-tearing out windows, while the wild winds rushed in in all their fary through he long halls, carrying everything fore them. The two front doors in south front were actually wrench from their hinges, and although ea-

panied George N. Saunders, jr., of New York, through the building and up into next Friday. the tower. Unexpectedly the fury of the storm swept over the city, and before they could descend and gain the building, which is reached by going over part of the roof, the current of wind was so strong an attempt of this kind would have been worse than folly. kind would have been worse than folly. Before they had time to fully realize their altuation, the window frames were

knocked over their heads, and the scene was indeed one of terror—hun-dreds of feet above the ground, impris-GRAND STORM KING
